July 2024

Dear Parents and Friends,

I am pleased to be sending you this information about our **Annual Brunch and Recognition Celebration on Sunday October 20th, 2024, at the Putnam County Golf Club**, and to ask for your help in continuing this event. You can support us by:

Attending the event and inviting family members or friends to join you.

Purchasing a table of 10 and inviting family and friends to join you at the event.

Donating in lieu of attending the event on October 20th.

Placing a journal advertisement supporting PRPH in our Celebration Journal (rate card enclosed) and asking a business to do the same.

Donating to or asking for an item for our Silent Auction. Consider creating a gift basket. Ask your favorite restaurant for a gift certificate. Ask a business to donate their service. There is no limit to items or ideas.

Accompanying this correspondence, you will find a rate sheet for our journal ads and a Silent Auction Donation Form along with a script to help when you are asking for donations.

It is important for a family-oriented organization like PRPH to enlist, "Other Peoples' Money" (OPM) to sustain our efforts. This event along with the Mother's Day Plant Sale, the Memorial Bowling Tournament and the Rod's Golf Outing is one of our signature events.

The PRPH Board of Directors looks forward to greeting you at this year's event.

Thank you for your support.

James F. Sullivan
Executive Director PRPH
