### **MOTHER'S DAY PLANT SALE 2024**

March 2024

Dear Parents, Friends, and Supporters of PRPH,

Despite the late freezes and snowy forecasts, the **PRPH Mother's Day Plant Sale** is rapidly approaching! There is no better tonic for cold and snow than plants and flowers that brighten your creative landscaping plans. This Annual event brings you an excellent variety of Plants that are of superior quality at a very competitive price.

Your participation in our event helps provide important revenue for our organization. PRPH is not richly endowed. We have a small administrative footprint. Over 95% of all our resources go to providing services to individuals with Developmental Disabilities who live at home with family. They are our friends and neighbors.

As a person who has supported us in the past, I hope you will tell your friends, colleagues and family members about our sale and encourage their participation on our behalf.

**Distribution of orders is Thursday, May 9<sup>th</sup> 2024 at the Putnam County Park – Upper Park located on Gypsy Trail Road, Carmel NY. We assure you that all appropriate distancing and sanitation protocols that may be in effect will be followed. As in the past, we will have curbside, contactless delivery options in place for your convenience.**

We are enclosing order forms for your use and sharing with friends and neighbors. Sale information and payment options can be found at our website, [www.PRPHNY.org](http://www.PRPHNY.org), You may request additional forms through our e-mail, [PRPH953@gmail.com](mailto:PRPH953@gmail.com) or visiting our Facebook page: Search: @prphny.
