Updated 12/13/21

**As of Monday, December 13<sup>th</sup>, 2021, masks will be required to be worn by staff, participants, visitors and guests at all PRPH indoor programs and on provided transportation.**

On December 10, 2021, Governor Kathy Hochul announced masks will be required to be worn in all indoor public places unless businesses or venues implement a vaccine requirement. Any person, past their second birthday and medically able to tolerate a face covering, must wear an appropriate mask while in any indoor place, regardless of vaccination status, outside of physical eating or drinking.

This measure is effective Dec. 13, 2021 until Jan. 15, 2022, after which the State will re-evaluate based on current conditions.

Unvaccinated individuals continue to be responsible for wearing masks and social distancing, in accordance with federal CDC guidance.

(see announcement: <https://www.governor.ny.gov/news/governor-hochul-announces-major-action-address-winter-surge-and-prevent-business-disruption> )

***PRPH will also follow the unique guidelines each of our individual venues (Spins Bowl, VFW, Drew Church, Gilead Church, etc.) requests of us. We will continue to clean surfaces, use hand sanitizers and encourage handwashing at all of our programs.***

***We ask that if your child or participant is displaying any symptoms of covid or any illness that you do not send them to any PRPH programs. If your child/participant is not vaccinated and you have travelled outside of the country in the last 10 days or have been in contact with anyone known to have covid we also ask that you do not attend PRPH programs. We appreciate all efforts to work together to keep everyone safe.***
